

GEP Praktikum Completion Certificate

GEP-MPINT-AM0526

This is to certify that Mr. Ali Mdaihly, mechanical engineering student - American University of Beirut has successfully completed the GEP Medizintechnik Praktikum with Brünstlmedizin Healthcare. He served his internship at Trad Hospital in Beirut - Lebanon from July 7 - August 11, 2026.

During his internship, he learned new techniques in performing inspection, preventive and corrective maintenance on use of clinical devices frequently used in hospitals and medical centers. He acquired practical skills on installation, calibration, performing safety tests, incident reporting mechanisms, and addressing most commonly encountered problems with maintenance and quality control of medical equipments.

Mr. Ali Mdaihly displayed professional traits during his internship period and managed to complete all assigned tasks as requested.

Sincerely,

Bernhard Schmidt
GEP Intern Program Coordinator
